Construction of Rail Bridges and Flyovers

2860. PROF. M. M. AGARWAL: Will the Minister of RAILWAYS be pleased to state:

(a) the details of proposed rail bridges/flyovers under construction in different parts of the country;

(b) the reasons for delay in their completion; and

(c) what necessary steps are being taken by Government in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI O. RAJAGOPAL): (a) A Statement is given *(See* below).

(b) ROBs/RUBs are constructed jointly by Railways & State Government Railways construct the bridge proper over Railway tracks and the State Government constructs the approaches. Delay take place generally due to some of the following reasons:—

1. Decision on alignment of approaches in built up areas & cities.
2. Approval of authorities other than maintenance organization of road e.g. NHAI, Municipal Corporation, Development Authorities etc.
3. Acquisition of land on approaches specially in built up areas and encroached areas.
4. Availability of Finance.

(c) There is regular dialogue with concerned road authorities to expedite the work.

Statement
